## Vinyl Images and Design

 [@vinylimages](https://twitter.com/vinylimages)

John Duever began his career in the wrap industry in 2001 and has been a partner at Vinyl Images and Design in St. Louis, Missouri since early 2002. Vinyl Images and Design started off in a 1500 square foot facility with 4 employees and now employs over 20 people in their 27,000 square foot facility while regularly producing 3500 wraps and graphics packages a year, nationwide. Since 2017 John has been a Certified Instructor for Avery

Dennison and travels all over North America training and certifying installers. John is passionate about being an entrepreneur while touching as many lives as he can through coaching, mentoring and teaching.
